

## vandal resistant shower heads

#### Introduction

the vandal
resistant heads
are designed for
use with inta
thermostatic mixing
valves

The Intatec range of vandal resistant showerheads is designed for use with our range of thermostatic mixing valves. The robust construction makes it suitable for use in schools, hospitals, sports and leisure facilities and other areas where there is a risk of misuse.

Reflecting the quality of the Intatec range of total washroom solutions, the unique design of the vandal resistant showerhead is a cost effective answer for communal facilities.
