New Aqualisa Sassi™ Electric

AQUALISA

“ Within the modern home and bathroom you will find an exciting blend of **luxurious materials** and adventurous colour palettes. With Sassi Electric, I used **glass, mosaic and stainless steel**, and teamed them with a selection of fashionable colours, to create a **unique shower** that will appeal to style-conscious homeowners. ”

Simon Cornelius

Aqualisa Sassi Electric Senior Designer

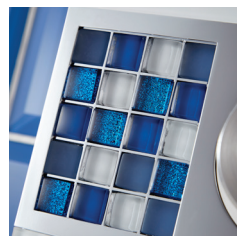

Aqualisa Sassi™ Electric

Add a splash of colour and make your personal style statement with Aqualisa Sassi Electric. Clean lines, contemporary white glass finish and a pop of mosaic tile colour makes Aqualisa Sassi the must have bathroom accessory. Which colour will you choose?

Your colour.
Your choice.

Aqualisa Sassi Electric comes with 'Sassi White' hand cut glass tiles as standard and there are 4 colour upgrades available. Make a bold statement with 'Sassi Pink' or go subtle with 'Sassi Stone'. It's your choice.
