

BoilerMag®

Dual Flow System Filter

Install the best...

BOILERMAG
3 YEAR
WARRANTY

- Easy in-line installation
- Dual flow technology™
- Outstanding performance
- Patented magnetic circuit
- Extracts both magnetic and non-magnetic debris

Celebrating
100
YEARS
Manufacturing
excellence

Installs in minutes, protects for years

After 100 years of manufacturing high performance magnetic systems for some of the leading names in the industry, Eclipse Magnetics are perfectly placed to provide the ultimate heating system filter.

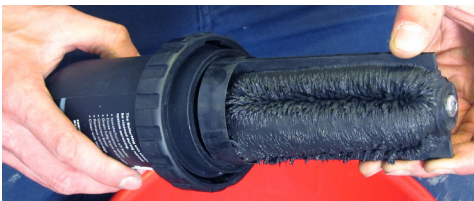

BoilerMag incorporates high performance with ease of installation and servicing. Tried and trusted patented magnetic technology ensures virtually 100% of ferrous oxide or magnetite is removed from the system.

Premier performance

- Install/clean in minutes
- Market leading dirt removal rates
- Unique dual flow
- Guaranteed no block
- High quality valves
- Removes both magnetic and non-magnetic debris
- 360° adjustment
- In-line installation
- Servicing tools included
- Superior collection capacity
- 22mm or 28mm units available
- Easy access for chemical dosing
- System flushing attachment available

Householder benefits

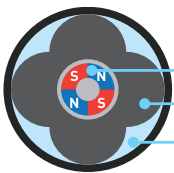

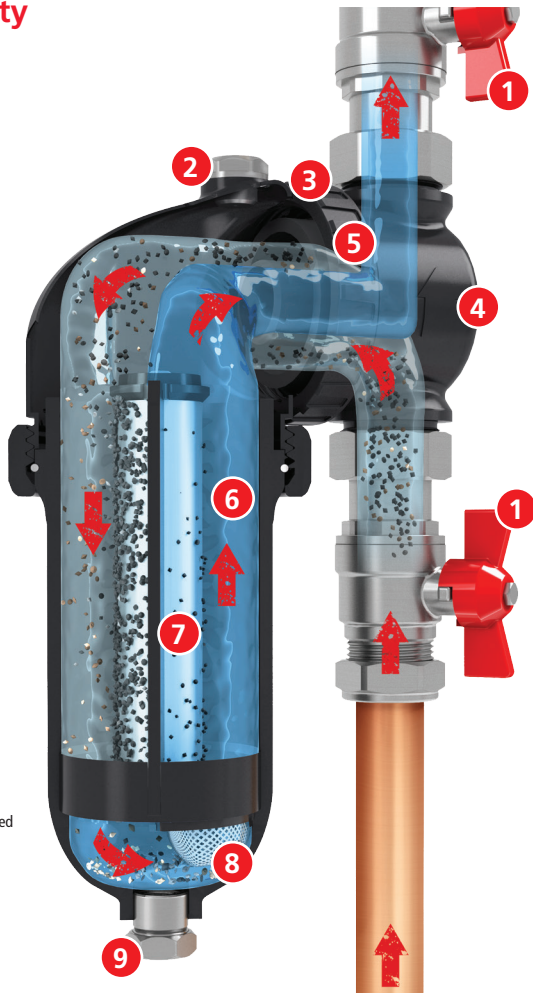

- 3 year warranty
- Reduced energy bills
- Increased boiler/system life
- Reduced maintenance costs
- Reduced carbon emissions

A world leader in magnetic technology

Premier performance combined with practicality and simplicity

- 1 High quality isolation valves included
- 2 Air vent/dosing point
- 3 Adjustable collar allows adjustment for 360° pipe orientations
- 4 In-line installation
- 5 Easy fit for flush attachment*
- 6 Dual flow technology ensures virtually 100% magnetite and scale removal
- 7 Patented magnetic core
- 8 No block mesh guard removes scale and other non-magnetic debris
- 9 Drain plug

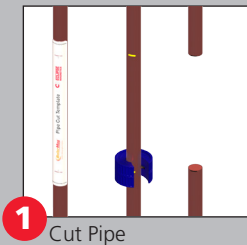

Magnetic core
 Contamination attracted to core
 Fluid channels remain open

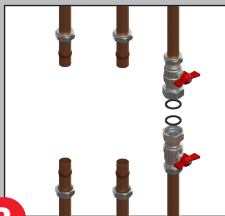

Unit does not block even when fully loaded with contamination

*Available separately

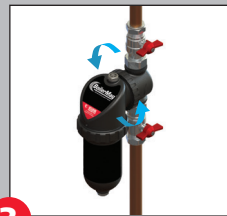

3 Easy Steps to fit BoilerMag

1 Cut Pipe

2 Fit valves

3 Fit BoilerMag

Its all in the box...

All you need to fit and service BoilerMag is contained in a simple retail friendly off-the-shelf package.
