## Rads 2 Rails

Created for the trade. Designed for life.

---

Rads 2 Rails was created for one reason: to provide high quality designer radiators and towel rails at superb prices. Our products have also been specially selected in a range of sizes and finishes perfect for everyday projects. Plus, all models are stocked in our most popular colours, with some products available in special finishes in 4 weeks.

### Our approach:

- Superb value: products designed to last and designed for everyday projects
- Quick deliveries on stocked models
- Nationwide availability: order our radiators and towel rails from a merchant or showroom near you
- Smart range: radiators and towel rails in the sizes you need for everyday projects
- Quality assured: all models are backed by a minimum 5 year guarantee and are in accordance with EN442

### About us:

Rads2Rails is a division of MHS Radiators Ltd, a leader in high quality designer radiators in both the retail and commercial markets.

Founded as a family business in 1980, the company continues to offer practical yet exciting radiator designs suitable for a range of domestic and commercial applications.

To find your nearest merchant or showroom, or for help calculating your heat output requirements, visit our website [www.rads2rails.co.uk](http://www.rads2rails.co.uk)

### Terms & Conditions

All outputs are stated in accordance with EN442 at  $\Delta t$  (Delta T) 50° C.

Please note: VAT will be charged at the prevailing rate. To see our full terms and conditions, please visit [www.rads2rails.co.uk](http://www.rads2rails.co.uk)
